## HALAL CERTIFICATE

To whom it may concern

This is to certify that the 《CAMEL, HFCS-55, CRYSTALLINE FRUCTOSE》 which is manufactured by CJ Cheiljedang Corp. is non-alcoholic and free from HARAM elements.

Through the careful investigation by the Korea Muslim Federation on the chemical analysis, characteristics, production methods and manufacture license of the above mentioned materials from Kyeungin Regional Food & Drug Administration, we confirm that they are all eatable and meet the Islamic HALAL condition.

(This certificate is effective until 30<sup>th</sup> of September 2012)

Wassalam

Yours in Islam,
